Just us 2 is a clothing brand that is made to help girls, young women, and anyone from the LGBTQ+ community find clothes that are ethical, trendy, and unique. This brand hopes to help people experiment with different clothing styles to find what they like most. The products offered are most commonly described as a clothing with a mix of 2000s while also having that vintage feel we all crave. The slogan is "Just us 2, a brand for me and you" and represents the mission behind our brand.

We are a size inclusive brand ranging in sizes xxs-3xl and hope that everyone feels safe and welcomed.

Justus2 is located in San Luis Obispo CA

but is predominantly an online brand that finds most of its business through social media platforms. Justus2 is a small business created by 2 female college students. The company works hard to be as ethical as possible while creating high-quality pieces for everyone to enjoy. The owners started the brand with handmade pieces but have since moved on to manufacturers. We hope you love it!
